## About Me

With over two decades of experience spanning human resources, corporate strategy, branding, sustainability, and communications, I bring a multidimensional lens to coaching. My purpose is rooted in making a difference—one conversation at a time.

I'm an ICF-credentialed PCC (Professional Certified Coach) and SHRM Senior Certified Professional (SHRM-SCP), equipped to partner with individuals and organizations navigating transformation, growth, and leadership challenges.

Currently, I serve as the CEO – Samunnati Foundation with the Samunnati Group, where I lead work in sustainability, gender inclusion, communications, and strategic initiatives that impact smallholder farmers and the wider agricultural ecosystem.

My coaching approach combines strategic insight, deep listening, and an unwavering belief in human potential.
