About Me

Hi, I am Jisha , a Career coach and a HR strategist. After having worked in core HR for 12 years in major MNC's, I finally found my calling in coaching & consulting ,enabling individuals and organizations to meet their unique goals.

I have been associated with major MNC's like Robert Bosch, Ford, Indus Towers and Philips and have a deep understanding of today's dynamic career landscape, and how to navigate today's workplace.

I am a certified coach with 300+ coaching hours , and a Senior HR Practitioner as recognized from SHRM.

My background in HR and coaching offers a holistic approach which can support you in overcoming challenges in the workplace, positioning yourself favourably within and outside the organization and navigating today's complex career landscape to achieve career success.

Achievements :

Coached 200+ professionals in career development and provided customized solutions catering to their unique career goals

Coached numerous clients to make a successful career transition in record time, focusing on individual strengths and leveraging proven strategies in line with ICF's global coaching framework

Mentored and coached first time managers and leaders , to enable them increase their impact and influence, and to enhance organizational ROI

Launched Career Canvas in 2024 , to enable working professionals leverage their strengths and build their dream career. Programs offered include Career Pivot 101 (Career Transitions), Career Velocity 101 (Job Search Fast - Track) , Career Step Up 101 (For fast - tracking promotions), and Leadership Coaching Programs.

Was the youngest HR leader to be part of the management team in the start-up Ninjacart and at Indus Towers and held P&L responsibility in both organizations

Partnered with start ups and delivered HR solutions independently - Policy formulation, Salary Restructuring, Organization grading and restructuring , People processes revamp etc.

My Journey :

Career Coach and HR Strategist

Found my true calling in 2021,
and started my coaching & consulting journey

Seasoned HRBP , and was part of senior management team at
Ninjacart and Indus Towers

Started my HR career in 2011, held various positions in HR with
Bosch, Ford, and Philips which helped in building core HR expertise

BE - E&I from SRM and PGDM HR from LIBA (Loyola Institute of Business Administration)
Executive Development Program in HR from XLRI Jamshedpur
