TESTIMONIALS

Within a month of the program, I could feel positive, less anxious and more energetic and optimistic towards all the aspects of my life including relationships & career. - Parul Goel, Sr Area Sales Manager

Kiran is a great coach and I find myself lucky to have been coached by her. Her teachings and guidance have helped me achieve transformational success in my life and career. One additional thing that stands out about Ms Kiran is her calm and composed way of helping a coachee. She is a thorough professional and very quick in picking up the issue - Shruti Garg - DGM L&D

Thank you Kiran for joining us as a mentor for all women in middle management and above globally at Datamatics's Speed (Wo)Mentoring initiative. Your holistic approach and techniques to equip the leaders with focused and positive energy for growth was highly appreciated by all. - Dr. Rima Ghose, Global CHRO
